### I consent to a Relax HAO Canine Massage

By signing this form it is understood that, prior to the Relax HAO Canine Massage taking place, any necessary veterinary treatment has been given by a veterinary surgeon who is content for the massage to take place.

Signature of owner ..... Date .....

### This section for completion by veterinary surgeon

Name of vet	
Practice address and stamp	
Telephone	

Summary of injury or condition, areas of caution, comments etc. (Please attach further notes for medical history if necessary)

*Only light hand strokes using the palm of the hand, fingers and thumbs are performed. No manipulation is carried out during a relaxation massage. For massage with passive movements, the session will involve massage with gentle, supported contraction or stretching of limbs.*

**I consent to Relax HAO Canine Massage therapist, Jenny Moir, treating above-named dog.**

Signature ..... Date .....  
(Veterinary surgeon)

Massage Therapist Jenny Moir is a member of the Healing Animals Organisation (HAO) which has been set up to help animals in need. All animals benefit from relaxation massage, and HAO works very closely with the veterinary fraternity to offer owner and animal companion a complementary and professional service. Relax HAOK9 Massage® aims to address & support healing for general well-being, mobility, recovery & promote improvement in quality of life and relaxation. Relax HAOK9 Massage® is not a single technique based therapy but a multimodal approach to holistic well-being for dogs.
